TIMES-VIRGINIAN

Hon. Claude A. Swanson, senior Senator of Virginia made his first speech here Sunday, when he delivered an eugoly on the life and character of the late H. D. Flood. Mr Swanson had been the close associate of Mr. Flood and knew the man and his service to the country, and was therefore talking about the life of a man he had known in all the walks of life. It was the first time we ever heard the Senator from the platform and he impressed us as an earnest, able speaker of fine attainments. The people of Appomattox thank you Mr. Swanson for your splendid memorial to their dead son, and you have endeared yourself to us all very much

Buckingham

In talking to school trustees from various parts of the state I found that in some counties a member of the school board is clerk of the board and in one county, at least, the superintendent of his division was acting as clerk of the county board, I talked with one trustee who said his county board paid the clerk as high as $1500 a year, but generally speaking a man other than a member of a school board had been chosen as clerk of the county boards and usually the price was from $500 to $600 a year. The pay of trustees is $5 a day not in excess of 20 days in any one year, as a rule I find that county boards meet once a month and in many counties these meetings are held on the same date as the meetings of the county supervisors. I find that in some of the counties trustees in visiting schools and in attending to building operations count each days service and get $5 a day. Mr. Hart in addressing the superintendents and trustees explained the changes in the school law in a very compre hensive way. Governor Trinkle is making good as a Governor he is a good mixer he has a cordial way of greeting people and he does not put on much style. I attended the great meeting of postmasters at the auditorium of the Jefferson Hotel in Richmond and the estimated number of those who were in attendance was about two thousand and as a rule it was a fine looking body of men, there were some lady postmasters and there was quite a number of colored postmasters. The 1st and 2nd assistant postmaster generals were there and addressed the Virginia postmasters. L. W. Jones and James H. Forbes were the only postmasters I saw from Buckingham

It costs a little more to eat in the cities than in the country, fruit is low oranges to be had at 25c a dozen apples at $1 a bushel measured and delivered.

My books as registra of Vital Statistics show 32 births and only nine deaths for the year. I called on Dr. Plecker State Registra of Vital Statistics and he was very cordial and nice to me.

The Association men claim to be getting the best prices for tobacco Mr. Rolfe H. Wood took a lot to Dillwyn on his new Ford Friday and was satisfied with his prices.

Dr. Miller, of Charlottesville, spent Thanksgiving with his friend R. A. Hall.

Judge A. S. Hall was a business visitor in Farmville last week.

M. J. Cox was very ill at his home all last week.

John Eldridge and J. P. Andrews motor to Dillwyn each morning to assist in the association tobacco market.

W. T. Snoddy informs me that at the open market warehouse at Dillwyn 20,000 pounds of tobacco was sold Friday at prices ranging from $2 50 to $40 This market closes on Dec. 22 d, until after the holidays.

Circuit court convenes in regular session here on Tuesday and the case against Luke Brown charged with killing Charles Brown will be called for trial. There was a hung jury at the trial of this case at last court.

Quite a number from this vicinity attended the final obsequies of the late H. D. Flood Sunday.

Charles Lewis has moved his sawmill from the "Shockley place to Mr. Alvin Hamilton's farm on Piney Mountain. We understand Mr. Hamilton is getting ready to build a new residence.

Several men from this neighborhood carried their tobacco to Lynchburg last week and they report having received good prices.

John William the youngest son of Mr. Sam Megginson has been quite sick, but is better at this writing.

Marshall—Kidd

A wedding of much interest here took place Wednesday of last week in the First Baptist church of Richmond, when Miss Virginia Madison Kidd, daughter of Mr. and Mrs. E. W. Kidd, of Victoria, and Mr. Murray Benjamin Marshall, son of Mr. and Mrs. Edward Marshall, of the county motored to that place and were united in marriage. The Rev. J. F. Watts was the celebrant. The bride was attired in a becoming suit of taupe duvetyn with mole trimmings and accessories to match. She is very popular among the younger set of this place The groom is a young man of sterling qualities and holds a responsible position at the Virginian Shops. Immediately after the ceremony the younge couple left for Washington, Philadelphia and other points north and upon their return will reside in Victoria.

Ask for "GOOD LUCK"
and you'll have good luck in your baking

Use only one teaspoonful of "Good Luck" Baking Powder, instead of the usual two.

No baking can be better than its ingredients. For certain results, your Baking Powder should combine quality —purity and high leavening strength.

These have been the reasons for the popularity of "Good Luck" Baking Powder for the last 32 years.

MAKING THEM AMERICANS

How few of us realize the importance of making over the foreigner—of implanting American ideals, ideas and common sense in place of socialistic and maybe anarchistic theories. It means a lot to every American citizen. This work and many other interesting activities of the Department of Labor are discussed in the twelfth issue of the series of beautifully illustrated booklets on Our Government which we have been distributing to representative citizens of this community.

If by any chance you have failed to receive regularly your copies of this series that has been so favorably commented upon, visit us today and from the limited supply on hand we will gladly complete your set.

Yesterday the two little children of Mr. Cuno, who lives near Stonewall were sent out by their mother to pick up some sticks to make fire about noon. The children were 4 and 5 years of age. The little ones wondered off in the woods and lost their way, and parents becoming alarmed started a search for them, which resulted in finding them, tired and asleep in a barn more than two miles from home. When found each had its arm-full of sticks for mother. The night was cold and both would have died from cold if not rescued, doubtless.

Monday evening the Masons at Pamplin elected the following officers for the ensuing year: C. H. McCall, W. M; L. N. Ligon, S. W.; Z T. Moran, J. W.; C. F. Harvey, treasurer; A. J.
